Looking back and looking forwards are things we do at New Year. How has your year been? Would you do it all again? What are you planning for the New Year? What will you do to make your plans a reality? Sometimes there are steps we must take before we can accomplish the things we desire. In faith, if we want to know God deeply, there are steps we must take. This is called discipleship. We must learn the art of prayer, we must learn from God's word by reading and by hearing Preachers and Teachers, explain more deeply its significance. The early Methodists believed strongly in "class meetings" for fellowship and growth. What steps will you take to develop your faith this year? During Lent, we will be looking at the keys to growth found in Rev Andrew Roberts's book: "Holy Habits". We will look at Bible Teaching, breaking of Bread, Prayer, Worship and Making Disciples; will you join a lent group? All of these are foundational to our Christian growth. The last year has been for me one of both deep pain and deep blessing. I would not change it. My prayer is that I will find the balance between seeking God's face and doing His work. We need to realise, that if we do not seek His face, we will never do His will. May you know him more closely in this year of the grace of our Lord 2018. May you seek and find His face. Every blessing. Rev D Kevin Jones.
